Dear Soccer Sponsor:

It's that time of year again. It's time for kids to play Summer Soccer!

South Mason Youth Soccer Club's (SMYSC) **Summer** program is a volunteer organization that has been helping kids in Mason County play soccer for over 30 years. It has always been our goal to provide a fun soccer playing experience for Mason County Youth. Just like you, we are a big part of this community.

With your sponsorship, over 800 kids in our community will get the opportunity to learn a team sport, develop their leadership skills, and have fun. Your sponsorship money goes towards, insurance, fields, water, referees, team shirts, and helps us keep our registration fees affordable for most families, allowing us to keep it at a low fee.

All sponsors will receive a team picture for you to display. You can see these all over town in most any office or business. The option of getting the same team shirt each player on your team receives, with your name and logo printed on the back. Players will keep them to wear long after the season is over, which means continued advertising for you.

### **TEAM SPONSORSHIP IS ONLY \$300.00 per TEAM**

Please remember that we appreciate all the years you have contributed. We have many families who are unable to pay for their children to play this year. So, if you cannot sponsor a team but would like to sponsor a child, you now have that option. Also, we have Equipment Sponsor, as the club is greatly in need of balls and it is our dream to have enough on hand to allow each child to practice with a ball in each of our 3 programs. Most of all we would like to invite you to just come out during the season, take a break and watch what you have helped create with your continued support.

Thank you in advance for your support and commitment to our community. Together, we can and will make a difference. If you have any questions, please feel free to email me.

Sincerely,

Toby Tarzwell
